14: Last Day of School

Our annual academic calendar is all about riding the ebb and flow of mental and physical energy to enhance learning. While we have the same number of school days as other schools, we run hard for 3-6 weeks, then rest. When we come back together, it's a new session with a new theme! Rest is crucial, but too much rest is counterproductive to the momentum in learning, so we build in our summer to be about six weeks instead of three months.
